### - **Work Experience:-**

**WordPress Designer**

June 2022 - Present

The Minaret Agency

Key Responsibilities:

- Collaborating with clients to understand business needs and translate them into tailored web solutions.
- Design custom WordPress websites with a focus on user experience, responsiveness, and cross-browser compatibility.
- Implementing advanced features such as multilingual support, dynamic forms, performance optimization, and enhanced website security.
- Ensure websites maintained high performance through caching, CDN integration, and code optimization.

## - **Extracurricular Activities:-**

Vice President of AIESEC in Minya  
AIESEC

2020

As a member of the Executive Board in AIESEC Minya, I led a department of 21 members across 3 teams, driving strategic planning, operational management, and talent development. Achieved a 40% growth in operational results compared to the previous year.

### **Key Responsibilities & Achievements:**

- Collaborated with HR to define recruitment personas, ensuring the right talent acquisition for departmental needs.
- Built the department's infrastructure, including creating tracking tools, operational sheets, and performance monitoring systems.
- Developed and implemented a structured learning and development plan with clear timelines to enhance team skills and knowledge.
- Managed task delegation, established reporting mechanisms, and maintained clear communication with the local branch president and national office supervisor.
- Successfully led initiatives that contributed to a 40% increase in overall performance compared to the previous year.

## - **Professional Development: -**

- .NET framework (Legacy Versions)
- ADO.NET
- Blazor
- Firebase (Back-End as a Service)
- SASS (Syntactically Awesome Style Sheets)
